PRINCE2® Foundation & Practitioner Online

ILX Group's accredited PRINCE2 Foundation and Practitioner Online learning contains all of the training and materials you need to attain both the Foundation and Practitioner qualifications in PRINCE2 – without attending a classroom!

The course combines interactive multimedia training, video, practical exercises using our PRINCE2 project simulation, mock exam simulators and paper based exercises. Using the latest developments in e-learning the PRINCE2 Foundation and Practitioner Online learning will provide you with the knowledge and understanding of the scope, content and structure of the PRINCE2 method to fully prepare you for the PRINCE2 Foundation and Practitioner exams.

The highly interactive PRINCE2 Foundation exam simulator will give you a real-time opportunity to practice your exam technique prior to attempting the real exam.

In addition, our PRINCE2 project simulation will enable you to practice many of the core skills and develop your approach to taking the PRINCE2 Practitioner exam. Prior to taking the real exam, the PRINCE2 Practitioner exam simulator will give you the opportunity to practice your technique in a safe environment. You will have access to a PRINCE2 training expert throughout the entire programme. The e-learning for both the Foundation and Practitioner training will take around 20–25 hours to complete.
